

EFF HAS INSTRUCTED ITS LAWYERS TO JOIN IN DEFENSE OF THE PUBLIC PROTECTOR ON THE URGENT INTERDICT LODGED BY PRAVIN GORDHAN

Thursday, 11 July, 2019

The EFF has instructed its lawyers to join in defense of the Public Protector against the urgent interdict that Pravin Gordhan has lodged in light of the report on the rogue unit.

We are however surprised that Gordhan has lodged an urgent interdict seeking to stop implementation of the Public Protector's remedial action. This is because he did not do the same with regards to the report of the PP before and its remedial actions were still never implemented by President Ramaphosa. In essence, remedial actions relating to Gordhan seem to actually never receive a positive response from the head of state. Nevertheless, we also cannot sense any urgency related to this matter, except Gordhan's bloated egoism of thinking he is above the law and must always receive some special treatment from our legal system.
