

## EFF STATEMENT ON THE BANNING OF ELECTIONS CAMPAIGNS

Sunday, 27 December 2020

The EFF notes with contempt the actions and conduct of the Museveni junta in banning elections campaigns in what it alleges #Covid19 hot spots in urban areas including opposition strongholds in Kampala, Masaka, Wakiso, Mukono, Kalungu among others.

The quasi military junta of Museveni is awake to the reality that its time is up and the electorate is rejecting it hence all manner of manipulations and desperate efforts to frustrate the opposition.

The EFF calls on the unity of the opposition to defeat the despotic junta of Museveni.

We further take note and condemn all manner of violence and actual deaths perpetuated against the opposition by the Museveni regime in the run up to the presidential elections of 14 January 2021.

We call on the AU and SADC to intervene soonest and decisively so.
