

## **EFF STATEMENT ON THE DEATH OF PRESIDENT OF TANZANIA, HIS EXCELLENCY JOHN MAGUFULI**

Thursday, 18 March 2021

The EFF has learnt with great sorrow the news on the passing away of the president of Tanzania, His Excellency, Dr. John Magufuli.

President John Magufuli led his country with commitment, humility and always urged peaceful co-existence of citizens of Tanzania.

Dr. Magufuli was a strong proponent of anti-corruption, rising to power as a crusader against nepotism, abuse of power and misuse of state-funds. He was passionate about development in Tanzania, centering education and infrastructural growth, in an attempt to modernise Tanzania.

President Magufuli was an advocate of Afro-centric economic and social development, with an idea of building Tanzania as an independent nation outside of the overbearing scope of the Western world and its influence.

To the people and government of the Republic of Tanzania and the East African Community, we extend our deepest condolences.

Rambirambi zetu za dhati Ndungu zetu Tanzania!!
