

EFF STATEMENT ON THE DEATH OF MAMA JOSTINA SANGWENI

Friday, 09 April 2021

The EFF sends its heartfelt condolences to the children and family of Mama Sangweni who was brutally tortured and burnt to death by some ignorant lunatics. Her traditional healer regalia and her gender was never invitation for accusations of witchcraft.

We call on the police to hunt the suspects for arrest, trial and conviction of murder and crimes of accusing Mama Sangweni of witchcraft.

The Department of Health should upscale its community outreach programme, educating society on dementia health challenges and limitations of mental health users.

We also call on community members and EFF members in particular to desist from participating in any mob justice, lynching and accusing fellow human beings of witchcraft.

May the soul of Mama Sangweni rest in perfect peace.
