

## **EFF IS HUMBLLED BY HIS MAJESTY, KING BUYELEKHAYA DALINDYEBO'S CALL ON THE NATION OF ABATHEMBU TO VOTE EFF**

Sunday, 24 October 2021

The EFF is deeply humbled by His Majesty, King Buyelekhaya Dalindyebo's call on the people of his Kingdom, the AbaThembu to Vote the EFF. We welcome this call and endorsement with the greatest humility, mindful of its magnanimity and gravitas.

During the visit by the CIC Julius Malema today, the King stated that it is not usual for a royal house to take sides in politics. Nevertheless, if he were to vote, it would be for the EFF. The King added, both during his statement to the media at the royal palace in Mthatha and to the community meeting in Ward 11, Mthatha that "he calls on all AbaThembu people to vote the EFF" in the 2021 Local Government Elections.

We welcome this call. Above all, we welcome the King's confidence in the EFF, its mission and its leadership. We accept it as a blessing and a gift we shall forever cherish.

We vow that we shall never betray his confidence and faith in our movement. That we shall stop at nothing to fight for the dignity of the AbaThembu people, and all black people in general. We know that it is the king's heart's desire to see the land restored to his people, and all black people in general. It is his desire to see massive agricultural development in his kingdom and cross all of rural South Africa. In the name of his hope and faith in us, we shall stop at nothing until his heart's desire comes to pass, in his lifetime.

We thank him and the entire royal family with all our revolutionary hearts.

Long Live His Majesty, King of AbaThembu, Buyelekhaya Dalindyebo.

Ah! Zwelibanzi!
