

EFF STATEMENT ON EID UI Fitr

Friday, 21 April 2023

The Economic Freedom Fighters (EFF) wishes all Muslims a joyous Eid UI Fitr.

Eid Mubarak to the Muslim community on the culmination of the month of Ramadaan, a month not just dedicated to abstinence but also to highlight the oppression that exists in the world. May all your sacrifices be accepted.

May we continue to advocate for the dismantling of the Apartheid Israeli State and the return of all Palestinian lands.

May we continue to pray for an end to violence in war-torn countries like Sudan, Syria and Yemen and that disputes are addressed through dialogue.

We call on our Muslim brothers to continue to fight all forms of oppression, including racism, xenophobia and sexism. Your generosity during the month of Ramadaan has shown your capacity to contribute towards a just world for all of humanity.

Even during your celebration may you continue to be mindful of the oppression endured by so many here in South Africa, Africa and across the world.

May this day be a day of celebration of your love for humanity, a day of celebration for caring for the less fortunate, the elderly and the infirm. May we all draw inspiration from these acts of humanity.

May you continue to actively show your dissatisfaction with our government who pays lip service to the continued oppression endured here in South Africa and across the world.

May God bless you and your loved ones.
