

EFF ANNOUNCES COUNCILLOR LUVUYO MAFKA AS COUNCILLOR OF THE MONTH FOR MAY 2023

Friday, 02 June 2023

The Economic Freedom Fighters (EFF) is pleased to announce Councillor Luvuyo Mafaka as the Councillor of the Month for May 2023, after his selfless contribution where he paid the electrical bill for Lutshaya Community Clinic in ward 18, Port St Johns Local Municipality in the Eastern Cape.

Councillor Mafaka has been a dedicated servant of the EFF and a leader in his community who is well known for championing developmental initiatives to uplift the poor. He is well known in the community for championing educational projects such as donating school uniforms and hosting annual sporting tournaments.

Lutshaya Clinic, where Councillor Mafaka intervened by paying the electrical bill fell victim to being cut off from electricity supply due to what was deemed as an illegal electrical connection, meaning members of the community could not access quality healthcare and the maintenance and operations of the facility were in jeopardy. By paying the bill, Councillor Mafaka has protected the Constitutional right to access healthcare of the community and defended the lives of the poor.

The intervention of Councillor Mafaka is an admirable exhibition of the attitude of the EFF towards healthcare, at a time when the government of South Africa is in courts to challenge a judgement that compels them to provide uninterrupted electricity supply to public healthcare facilities.

For his exemplary leadership, Councillor Mafaka will receive R50 000 as Councillor of the month to use for a developmental initiative of his choosing. The EFF encourages all Councillors to follow in his footsteps and solve the problems confronting our people.

Let Us Rescue Our Communities!
