

## EFF TO RELEASE THE 3<sup>rd</sup> EDITION OF THE RADICAL VOICE

Sunday, 06 March 2022

The EFF will release the 3<sup>rd</sup> Edition of the revolutionary newsletter, *The Radical Voice for the Poor and Working Class*, on Sunday, 06 March 2022 (Today).

This publication, is a text released quarterly which is part and parcel of the resolutions of the 2<sup>nd</sup> National People's Assembly to establish a genuine platform for the ideas of the people and the revolutionary movement.

This comes after the objective realisation that media exists as an instrument of class rule, and any attempt to achieve liberation begins with an ability to bring a contesting narrative to that of the ruling elite and its media outlets.

The Radical Voice will continue to accept submissions of articles from the public which must be no more than 1200 words.

All submissions must be sent to the following email;
