

EFF STATEMENT ON THE ELECTIONS IN LESOTHO

Friday, 07 October 2022

The Economic Freedom Fighters (EFF) wishes the people of neighbouring Lesotho and its government a peaceful, orderly, free and fair elections which are taking place today.

Our neighbouring sister African country has not known peace for the longest time and these elections should be a catalyst for a lasting solution to both the socio-political and economic problems plaguing the country.

We call on the people of Lesotho to vote for the Lesotho Economic Freedom Fighters (LEFF), which is led by young and dynamic Revolutionary Activists committed to the true emancipation of the people of Lesotho.

All existing political parties in Lesotho have failed to bring the much needed stability and progress for the people. It is only the LEFF that will bring much needed stability and Economic Emancipation for the people of Lesotho.

We call on all political parties including the Lesotho EFF to conduct themselves and their supporters in terms of the electoral code and shy away from violence.
