

## **EFF ANNOUNCES THE FIRST EPISODE OF THE EFF PODCAST.**

Friday, 13 October 2023.

The Economic Freedom Fighters (EFF) is pleased to announce the first Episode of the EFF Podcast Premiering this morning, at 10:00 o'clock.

This comes after the EFF President and Commander In Chief Julius Malema and Deputy President Floyd Shivambu unveiled the EFF State of the Art Studios based at Winnie Madikizela Mandela House on Wednesday, 11 October 2023.

The EFF Podcast will be hosted by broadcaster and producer, Titus Tshungu a journalist by profession who is currently appointed as the EFF National Communications Manager.

As access to Digital Media has vastly increased, the EFF intends to play a significant leading role in disseminating news, entertainment and education through its digital footprint without any censorship.

The lack of independent media in South Africa is palpable and hard to ignore, therefore establishing our own podcast is part of our strategic objective to promote fair and balanced messaging of the EFF.

We call on the people of South Africa, the continent and the world to watch the first episode of the EFF Podcast on the EFF YouTube Channel and subscribe to the EFF YouTube Channel.

Economic Freedom in our lifetime will be broadcast!
