

EFF STATEMENT ON EID AL-ADHA

Sunday, 16 June 2024.

The Economic Freedom Fighters (EFF) extends our heartfelt wishes to all Muslims celebrating Eid al-Adha.

Eid al-Adha, the Festival of Sacrifice, commemorates the faith and devotion of Prophet Abraham when he demonstrated his willingness to sacrifice his son in obedience to Allah. This sacred holiday embodies values of sacrifice, compassion, and solidarity—principles that resonate deeply with the EFF's commitment to justice, equality, and the upliftment of all marginalised communities.

As we join in the celebration of this significant occasion, we are reminded of the power of faith and the importance of unity. In the spirit of Eid al-Adha, we encourage the Muslim community to continue to embrace the values of generosity and selflessness, remembering the less fortunate during this time of joy and reflection.

However, as we celebrate, we must not forget our Muslim brothers and sisters in Palestine who are enduring unimaginable suffering. The EFF stands firmly with the Palestinian people, who face ongoing genocide and oppression, preventing them from celebrating this holy day in peace. We call upon all Muslims and people of conscience to stand in solidarity with Palestine, advocating for their freedom and human rights.

May this Eid bring peace, prosperity, and unity to all. Eid Mubarak!
