

EFF STATEMENT THANKING ALL SUPPORTERS

Saturday, 25 May 2024

The Economic Freedom Fighters (EFF) extend our deepest gratitude to all our supporters and structures across all provinces of South Africa for your support and dedication, culminating in the resounding success of the Tshela Thupa Rally today at the Peter Mokaba stadium in Polokwane, Limpopo. This final rally before we march towards total victory at the polls on the 29th of May is a testament to the unity, strength, and resilience of our movement.

Your presence and energy at the Tshela Thupa Rally showcased the undeniable power of the EFF, driven by the hopes and dreams of the poor, the marginalised, the workers, and all those committed to achieving economic freedom in our lifetime. The sea of red that filled the rally was a vivid reminder that our fight for justice, equality, and economic liberation is supported by the true backbone of our nation — the people.

We recognise and honour the immense effort put forth by every individual, from the grassroots volunteers to the provincial structures, whose relentless work and passion have brought us to this pivotal moment. Your dedication is the lifeblood of the EFF, and it is your commitment that propels us forward in our quest to dismantle the chains of economic oppression and build a South Africa where everyone can thrive.

As we approach the 29th of May, we stand united and resolute, ready to claim the victory that belongs to the people. Let us carry the spirit of the Tshela Thupa Rally into the polls, confident that together, we are unstoppable. The strength of the EFF lies in its people, and with your continued support, we will usher in a new era of economic freedom for all.
