

## **EFF THANKS EFF TSHWANE GROUND-FORCES FOR HOSTING A SUCCESSFUL FREEDOM DAY RALLY**

Thursday, 28 April 2022

The EFF thanks the Gauteng Provincial Command Team, the Regional Command Team of Tshwane and the Branches and Ground-Forces of the EFF in Tshwane for hosting a successful Freedom Day Rally.

The President and Commander in Chief Julius Malema addressed a fully packed rally, and gave a cogent message of hope, reflecting on the permanent disaster that confronts African people in this country and placing into context what true freedom means.

The organisation is truly alive and well in the region of Tshwane, and must move forward with all efforts to remove the racists who now preside over the misery of black people.

Going forward, the EFF must ensure that there is service delivery in the areas where the municipality is neglecting our people. The people of Soshanguve must receive adequate support in fighting crime, that the youth of Mamelodi receive employment opportunities and the people of Hammanskraal receive safe and drinkable water.

The EFF would further like to thank the EFF in the provinces of Limpopo, Free State, Eastern Cape, Mpumalanga, Western Cape, North West, Kwa-Zulu Natal and Northern Cape, for hosting successful Freedom Day commemorations.

The ability to mobilise our communities across the country on the same day, reveals a solid organisation which is capacitated at all levels.

Let us all intensify efforts to build a quantitative and qualitative organisation, and reach the 1 Million Membership target by the end of 2022.
