

EFF CONGRATULATES KING MISIZULU KAZWELETHINI ON HIS CORONATION AS THE KING OF THE ZULU NATION

Saturday, 29 October 2022

The Economic Freedom Fighters (EFF) congratulates the newly coronated and certified King of the Zulu Nation, King Misuzulu kaZwelethini, on his coronation as the King of the Zulu Nation.

King Misizulu was officially granted his certificate of recognition, putting an end to a long and drawn out process of dispute on the succession of the throne of the Zulu Kingdom, since the passing of King Goodwill Zwelethini. The coronation of King Misizulu, affirms the strength and stability of one of the most revolutionary kingdoms in the history of mankind.

The Zulu Kingdom remains a historic thorn in the history of colonial conquest and the wars of dispossession. It was the Zulu Kingdom that inflicted the most damaging and humiliating defeats to the British colonial army, in the battle of Isandlwana armed with spears and tactical superiority, in the face of the guns of white colonialists.

King Misizulu sits on a throne of historical and contemporary significance, and bears the responsibility of uniting a proud nation and ensuring that he preserves the traditions and customs of his people. He joins a league of traditional leaders, whose primary task ought to be alleviating the poverty of our people, and honouring our gallant ancestors by reversing the colonial sin of land dispossession.

The King's coronation, must put an end to all frivolous challenges to the throne, which have plagued the Zulu Kingdom. The entire Royal Family must rally behind the King, and no longer put this mighty Kingdom into disrepute through senseless and misguided power struggles.

The EFF wishes King Misizulu well on his responsibility and affirms his rightful claim to the throne. May he lead with integrity, honour and with a love for the people of the Zulu Nation.

Bayede!
