

EFF LABOUR DESK ACTIVITIES TO MARK WORKERS DAY

Friday, 30 April 2021

The EFF Labour Desk will be engaging in a variety of programmes across all 9 provinces to mark the 135th anniversary of May Day on the 1st May 2021. This is the day which was ultimately adopted by the socialist and communist labour movements as the International Worker's day.

These programmes are action campaigns to ensure White Capital is held accountable and that the conditions and struggles our people face in the workplace are properly dealt with and improved.
